

**Volám sa Emmaculate Juma. Narodila som sa 28. Októbra 2009. Som žiačkou 6 triedy Základnej školy sv. Uršule v Kitale. Vo svojej farnosti Sv. Patrika v Kibomet som miništrantkou. Tiež hrám futbal za tím Makunga.**

**Môj otec sa volá Douglas Juma a moja mama Eunice Juma. Sme traja súrodenci. Moja staršia sestra, ktorá práve skončila strednú školu a volá sa Esther Juma a potom som ja.**

**Pochádzam z dediny Kibomet. Moja Rodina a ja žijeme v dome vyrobenom z blata. Môj otec nemá prácu a pracuje ako príležitostný robotník. Moja mama je gazdinou. Otec nemá prácu, v ktorej by dostával dobre zaplatené a to nám spôsobuje to, že nie je schopný sa postarať o naše každodenné potreby.**

**Ale som veľmi vdŕačná Základnej škole sv. Uršule a sestrám uršulínskam, ktoré mi ponúkli pomoc a podporu, aby som mohla chodiť do školy. Nech Boh žehná celú komunitu sv. Uršule za to, že každý deň môžeme byť svedkami Božieho požehnania.**

**Veľmi si vážim žiakov z Gymnázia Angely Merici, ktorí si ma vybrali, aby ma podporovali.**

**Prajem vám Božie požehnanie.**

My father's name is Douglas Juma and my mother's name is Eunice Juma. In my family, there are three children. My elder sister who has just completed her secondary school. She is known as Esther Juma then I.

I come from a village known as Kibomet . My family and I live in house with walls made of mud. my father does not have a specific job. He is a casual labour worker. My mother is a house wife . My father's job does not pay him well. This makes him unable to provide for us our daily needs.

But I am grateful to St. Ursula's primary school and the Ursuline sisters for the support you have offered me since I joined this school. May God bless the whole of St. Ursula community that each day we may live to witness the blessing of God.

Much appreciation to you Gymnazium Angley Merici Fraternity for choosing to support me.

Wishing you God's blessings.
